Lone Star College Professional Development Program & Site Visit

August 23-29, 2022, Ireland

The Institute of Study Abroad Ireland and Lone Star College present a bespoke professional development program for faculty and administrators. This program will be an immersive, fully guided visit to Ireland delivering the following outcomes.

- Learning best practices for internationalizing your curriculum, through the use of online content, international partnerships, and faculty-led travel programs for students
- Developing and fostering faculty and institutional enthusiasm for internationalizing
- Logistics and supports for both online courses and study travel
- Creating collaborative partnerships with other institutions
- Addressing the challenges of post-covid travel and cultural competency.
